

STOP BANK LOANS TO SOUTH AFRICA

"... the tragedy of South Africa is not simply in its own policy; it is the fact that the racist government of South Africa is virtually made possible by the economic policies of the United States..."

DR. MARTIN LUTHER KING, JR.

DEMONSTRATE!

The National Executive Council of the AFL-CIO, the NAACP, the National Council of Churches, and the United Auto Workers have all called for ending economic ties with So. Africa.

Three banks in the city--Provident, PNB, and First Pa.--have been investing our money in South Africa's racist regime. We say: Don't bank on racism! End bank loans to South Africa! We urge everyone to join us!
