

Philadelphia Area Labor Committee Against Apartheid

1/15/88

L E G I S L A T I V E A L E R T

Urgent support is needed for the Cranston/Dellums 1987 Sanctions Bill, S.556/H.B. 1580.

22 S. 22nd Street
Philadelphia, PA
19103
215-751-9770
215-923-5787

Its main points are to stop U.S. investment in, trade with, and military/intelligence cooperation with South Africa

The Dellums/Cranston Bill is "strictly business," devoid of anti-apartheid rhetoric, and does not call for partial or conditional sanctions or "deadline threats." It is not a Bill designed to only "send a message to Botha".
