

ALC NAMIBIA CONFERENCE

This important "first-of-its-kind" training event is open to anyone interested in learning more about the struggle of the Namibian people for independence. The American Lutheran Church (ALC) has taken a strong stand on Namibia, and has encouraged its members to become informed and involved.

This conference will train participants to bring the story of Namibia to friends, family and home congregations. Up-to-date information and current materials will be provided for all participants. National and international leaders in the Namibian struggle will serve as trainers for the weekend.

The ALC Namibia Conference is sponsored by the ALC's Division of World Mission and Inter-Church Cooperation.

Resource People

- * Representative, SWAPO Mission to the U.N.
