Memo: To MSN Core Members

Greetings!

This is to remind you that the National Meeting is nearly upon us. The meeting will take place between the early evening of October 13th, a Friday, with a full day session on Saturday the 14th, and October 15th, a Sunday, when we will end at noon.

Clearly this is a crucial moment both for Mozambique and southern Africa as a whole. Many important decisions have just been taken at the Party Congress in Maputo and we need to discuss these as soon as possible.

If you need accomodation during the meeting, please let the office know, and we will do our best to get you a place to stay.

We also want to have a group evening out. Is anyone interested in hearing some blues? If you think you might be inclined to join us, please mention that also.

We're looking forward to seeing you in the Windy City in mid-October.

A luta continua
