ORGANIZATIONS • BOOKS • PERIODICALS • PAMPHLETS & ARTICLES • AUDIOVISUALS • OTHER RESOURCES

This resource guide is published by Third World Resources to promote the work of the organizations represented in this collection and to further their educational, support, and solidarity activities related to Africa.

In fall 1987 Orbis Books (Maryknoll, N.Y.) and Zed Books (London) will co-publish a fully annotated and indexed expansion of this guide: *Africa: A Resource Directory*, compiled and edited by Thomas P. Fenton and Mary J. Heffron. Copies of the 160-page paperback directory may be reserved from Third World Resources. Those who reserve copies before the publication date will receive a ten percent discount off the cover price.

We realize that this is far from a complete listing of resources. We apologize to organizations we were unable to include in this guide and ask that they contact us to make certain that their resources are included in the forthcoming directory. Please alert us to mistakes in this guide.
