MOBILIZATION

For Peace, Jobs & Justice

Saturday, April 19, 1986 - San Francisco

A year ago, tens of thousands marched in San Francisco in support of four demands.

- **No U.S. Intervention in Central America & the Caribbean**
- **End U.S. Support For South Africa Apartheid**
- **Jobs and Justice, Not War**
- **Freeze and Reverse the Nuclear Arms Race**

The issues are still with us. The situation is even more urgent! We must march once more — as we did in the 30's, as we did in the 60's, and as we now do again in the 80's. We are part of an ongoing struggle for a just society where human rights and people's needs are met, in a world at peace.

11 AM - Assemble at Dolores Park
Noon - March down Market Street
1 PM - Rally at Civic Center
