COMMITTEE FOR A FREE SOUTH AFRICA
P.O. Box 7193
Silver Spring, MD 20907

Dear friends,

As you will notice, we now have a new name, as of the last meeting. The previous name, South Africa Liberation Support Committee, had proved unwieldy to say and possibly confusing (with previous ALSC). Our next meeting will be at the regular time and place -- District Building, Room 114, 14th and Pennsylvania NW, at 7:30 p.m., Tuesday, May 3. Chris Root, who is working on the bill introduced by Rep. Dixon of the Black Congressional Caucus to stop IMF loans to South Africa, will report briefly on the status of that campaign. The other major agenda item will be continued planning for the film series "The Spirit of Resistance" scheduled for May at Martin Luther King, Jr. Library.

At the last meeting petitions from D.C. Divest were handed out. Anyone who is willing to take a petition and who does not have one should get in touch with Wendy (585-3265).

Other meetings coming up which may be of interest:

** On May 3, 10-12 a.m. at 100 Maryland Ave. -- meeting of South Africa Working Group will be discussing strategy on the IMF bill.

** On May 3 in the afternoon (check the Post for exact time and place)) -- House Banking committee hearing on South Africa and the IMF

** On May 5, 1-3 p.m., 122 Maryland Ave., South Africa Working Group task force on destabilization.

**Public rally for D.C. Divest on Monday May 2, 7 to 9 p.m. -- Howard University School of Social Work Faculty Lounge.
