

Spend 9 Days in Fabulous Portugal!

Your dollar will go far, far, far....
to help Portugal in her wars against her African colonies.
With your money Portugal buys...
napalm...herbicides...anti-personnel weapons...helicopters...and guns,

for use in ANGOLA ... MOZAMBIQUE ... GUINEA-BISSAU ...

where life for Africans under Portuguese colonialism means...

- * 90 % illiteracy
- * 1 of 3 children die at birth
- * forced labor conditions
- * civil and human rights denied
- * life expectancy of 30 years
- * war against 150,000 Portuguese troops

UNITED STATES MILITARY SUSTAINS PORTUGAL IN HER WARS AGAINST AFRICAN FREEDOM FIGHTERS

- * \$200 million in military aid requested by Portugal for counter-insurgency in Africa
- * \$435 million "economic aid" granted to Portugal by Nixon's administration (12/71)
- * US arms, aircraft, napalm, herbicides, via NATO, used against Africans
- * CIA bombers to Portugal
- * US military base on Portuguese Azores Islands

AMERICAN CORPORATIONS, bleeding Africa of her resources, finance Portugal in her wars
against the African Peoples of Angola, Mozambique & Guinea

- * US is Portugal's third largest trading partner (\$68 Million annually)
- * US is a major importer of raw materials from Portuguese colonies

MAXIMUM PROFITS for the big-money corporations, but SUPER-EXPLOITATION FOR AFRICAN PEOPLES

U.S. military and business interests are dragging
us into another bloody war, where the U.S. will
be aligned with the forces of fascism and colonialism,
against the African peoples struggling for their
independence.
