Dear Members & Friends:

There will be a meeting of the TransAfrica Chicago Support Committee on

SATURDAY MARCH 12th, 1983

at

7:30 - 9:30 P.M.

at the home of our member Maisha Bennett

This meeting will also be pot luck. Please contact me or Maisha about what you would like to bring for the pot luck.

This will not be an introductory meeting, but a business meeting, but feel free to bring new recruits if you wish to do so. The Political Action Committee has met and has some exciting ideas which they are ready to implement once they are ratified by the full body. I hope that the Political Education and Fundraising Committees will also have met before March 12th and can make programmatic recommendations.

Hope to see you there.

Yours in the struggle,

Cheryl
