Chicago Support Committee

July 16, 1984

Dear Members,

Several of us from the Chicago Support Committee attended the TransAfrica Annual Dinner in June. Part of the agenda at the annual dinner weekend was a meeting of support committee members from around the country. Over sixty support committee members representing the cities of Atlanta, Boston, Chicago, Detroit, Baltimore, Washington, D.C., Los Angeles, San Francisco, Indianapolis, New York and Cincinnati attended the meeting. Several important things, which affect the Chicago Support Committee ~~was~~ discussed at this meeting. Chicago was one of the five support committees to receive an award, and Chicago has been designated as the host city for the annual meeting of all the support committees from around the country. This meeting will be the weekend of September 21-23, 1984, and we hope it will provide renewal and inspiration for our support committee members as well. We need full participation from the membership to make this meeting successful. Several members of the National staff, including Randall Robinson, the Executive Director, will also attend.

As many of you know, we are scheduled to hold elections in August. (August 18th, 7:00 p.m. at the home of Ms. Margie Smith.)

Our next meeting is scheduled for July 21st, 1984, 7:00 p.m. This meeting will also be held at Margie's house - 8556 S. Kenwood. This will be a very important meeting. We will discuss the upcoming weekend, the elections, the fall schedule and there will also be an educational presentation.

We hope that you can make it to the July 21st meeting; our organization will only be what we all make it.

Yours in the Struggle,

The Executive Committee
