Cass Lindsey gave an overview of the topics discussed by the Executive Council during the October 26, 1982 meeting. She detailed the items that have been requested for submission the the National.

It was suggested that we contact the Black Vision Theatre, 500 E. 67th Street as a possible fundraiser. Charles Green volunteered to contact Ms. Renee Lockhet for further information.

It was suggested that we hold our meetings the third Saturday of the month. The next meeting has been tentatively scheduled for December 18, 1982 at the Park Manor Christian Church. Mr. Green advised that the church would be available for future meetings when needed.

Respectfully submitted,
