Dr. Cheryl Johnson

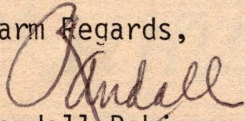

Dear Dr. Johnson:

I am pleased that you have agreed to do a benefit in Chicago during the first week of June through premiere use of the new movie, "Beat Street" that will open to general audience on June 8. Someone from Harry Belafonte's staff will contact you soon on all the details so that you can begin work.

We hope here that you will contribute at least half of the funds generated to the National Office.

Thanks for your help.

Warm Regards,

Randall Robinson
Executive Director
